

How to issue your first license

Welcome to eM Client Reseller program and earn commission for selling our product to users. This document will guide you through the fundamental functionalities of our Licensing system and show you how to issue your first license.

1 CREDIT PURCHASE

To be able to sell licenses to users you need to have a positive credit balance on your account:

- 1) Go to the [PayPro system](#)
- 2) Fill in all required fields – use the same email address you used to register as a reseller and top up your account with the selected amount of money (**1 credit = 1 USD**)

2 LOGGING INTO THE LICENSING SYSTEM

Log in to our Licensing system at licensing.emclient.com

Please use the login you received in the welcome email.

Log in to your account

Sign in with your credentials

User Group	<input type="text" value="Test Reseller account"/>

<input type="checkbox"/> Remember me	Reset password
<input type="button" value="Sign in"/>	

3 SELLING A LICENSE

- 1) In the top menu, select “Licenses”
- 2) You will be able to see the list of all licenses you have sold so far and the licenses’ details
- 3) Click on the “Add Subject” button to add a new customer
- 4) Fill out all the required information about the customer in the pop up window and confirm it by pressing “OK”
- 5) In the next window which pops up:
 - a. Choose the type of license (**Personal**, **Personal with Lifetime Upgrades** or **Subscription**)
 - b. Leave the **Business** tick box checked for a **Business license** or **Subscription for Companies**, and unchecked for a **Personal license** or **Subscription For Individuals***
 - c. Choose the number of users
 - d. Below you can check the prices – what you pay, what the user pays, and your profit
 - e. Check the ‘Send license info to e-mail’ tick box so that the user receives an email with information about their license
 - f. Choose the language of the email
 - g. Fill in the user’s email address (you can also BCC others)
 - h. Confirm the information by pressing “OK”
- 6) The license is now created and the user has been notified (if you’ve ticked the ‘Send license info to e-mail’ option in the previous step)

* Personal licenses for individuals are meant for independent use and don’t have user’s access to the License Manager. Personal license is for 3 devices and is limited to a max. 1 license per user.

Step 1: Select “Licenses”

The screenshot shows the eM Client web application interface. At the top, there is a navigation bar with a home icon and four menu items: Home, Licenses, Partner Credits, and Price Calculator. The 'Licenses' menu item is highlighted with a red rectangular box. Below the navigation bar, the main content area has a large orange background with the text 'Welcome to eM Client' in white. Underneath, it says 'This web application allows you to manage your licenses. You can de information about your current licenses. In the "Activations" tab, you info@emclient.com.' At the bottom of the page, there is a footer area with the text 'User Group : Test Reseller account'.

Step 3: Add a new customer by clicking on the “Add Subject” button

Home Licenses Partner Credits Price Calculator

 **Add Subject**

Name	Organization	Email	Type	Business
